

# EADi Student Membership

**FREE**  
until 2020

**You are a student of development or international cooperation?**

**Try our free student membership with many benefits:**

## Mentoring

- Connect with an experienced scholar from the field of your interest as one-to-one mentor
- Receive individual guidance on publishing strategies, building an academic career, life-work balance, building networks and presenting your research and attending conferences.

## Career and Training

- Be the first to find out about job vacancies at our member institutes
- Access the EADI database of courses and trainings with post- and undergraduate programmes from 28 European countries
- Attend our International Summer Schools and PhD Conferences specifically targeted at young academics
- Become eligible for the EADI Early Careers Prize for Excellence in Development Studies

## Networking

- Join one of our interdisciplinary Working Groups and collaborate with renowned researchers and professionals from EADI member institutes
- Create your own working group and join forces with other EADI members
- Network with key experts from leading institutes in the field of development research
- Keep in the loop on CfPs, conferences, workshops and seminars

## Publications

- Get free online access to the European Journal of Development Research (EJDR).
- Receive our newsletters with up-to-date news from the scientific development community

## What is EADI?

With its 150 renowned member institutes, EADI is the leading European network in the field of development research and training. It was founded in 1974.

## Who can become a member?

Our members are:

- Research Institutes
- Universities and University Departments
- NGOs and Think Tanks
- National Scientific Associations
- Individual researchers, professionals and experts
- Students
